# EMPLOYEE SPOTLIGHT

## SOUFIANE LALOUTI

### What is your name, title, and department?

Soufiane Lalouti, Desktop Support Specialist, Finance Department

### Can you tell me about your role at United Way?

This June, I transitioned to the IT department. My current role as a Desktop Support Specialist involves helping with different technology concerns reported from all United Way departments and staff.

### What do you love best about working here?

There are so many reasons why I love working at United Way, but the two biggest reasons are the impact that United Way is making in the community and the organization's culture that focuses on inclusion and equal opportunities.

### What are your interests outside of work?

I love to play soccer and video games and connect with my family and friends in Morocco. I also love to travel and visit new countries.

### Who is your favorite artist, musician, or author and why?

I can't recall honestly, but I remember being a big fan of "Detective Conan" when I was a child. :D

### SPEED ROUND: CHOOSE ONE!

Morning person **or** night owl?

*Soufiane says: I can be a morning person, only after my first cup of coffee, but I prefer to stay up at night – I find it more peaceful.*

Hotdogs **or** hamburgers?

Ice cream: chocolate **or** vanilla?

Dog person **or** cat person?

*Soufiane says: I prefer cats, they do funny things. I'm already missing my cat back at home.*
